

WRITING PROMPT
FOR
INTRODUCTION TO BUSINESS

After you have created your country, named it, and labeled its natural resources, you will complete this writing prompt about your country's information.

Please do not have less than 10 sentences. Follow the "Writing Prompts" guidelines on the poster in my room. Include in your paragraph this information:

- 1) Describe the population. (ie: all women, people over 60 years, etc.)

- 2) Answer the three economic questions:
 - a. What to produce?
 - b. How to produce?
 - c. What needs and wants to satisfy?

- 3) Define your economic system in your country AND tell me why you chose your country to have this particular type of economic system. What are two advantages and two disadvantages of choosing this type of system.
 - a. Command
 - b. Market
 - c. Traditional
 - d. Mixed
