

ACE III/IV  
 Rubric  
 for Infographics  
 for Career Information

Name: \_\_\_\_\_ Chosen Career: \_\_\_\_\_

This infographic must include this information on your chosen career:

- 1. Duties and Responsibilities--What will some of your duties and responsibilities be in this career? 10 \_\_\_\_\_
- 2. Working Environment--What will your working environment be (indoors/outdoors; city/town/rural; alone/with other people; casual/dress clothes; people, data, or things)? 10 \_\_\_\_\_
- 3. Working Hours--What are your average working hours? Will it be a year-round career? Will you work on weekends or after-hours? 10 \_\_\_\_\_
- 4. Aptitude and Abilities--What would be some of your weaknesses for this job? Some of your strengths? 10 \_\_\_\_\_
- 5. Education and Training--How much education does this career involve? Does it require you to maintain additional and yearly training? 10 \_\_\_\_\_
- 6. Salaries and Fringe Benefits--What is the average salary for the geographical area in which you will be working? What are the fringe benefits for this job? 10 \_\_\_\_\_
- 7. Career Outlook--Will there be jobs available for you in this field after graduation from the program? 10 \_\_\_\_\_
- 8. Miscellaneous--What do you find most interesting or advantageous about this career? Why/how does this career you chose match your interests and values? Why are you/are not interested in this career? Does this match your assessments? 10 \_\_\_\_\_
- neatness counts 5 \_\_\_\_\_
- error-free (grammatical/punctuation) 10 \_\_\_\_\_
- at least one background picture (opaque) 5 \_\_\_\_\_

• cite your sources (at the bottom of each picture/set of words)	5	_____
• must have at least one pie chart (labeled)	10	_____
• must have at least one bar graph (labeled) (label x & y axis)	10	_____
• use 4 different colors on the Infographic	5	_____
• include 4 different pictures (the background picture does not count as one of these)	10	_____
• include some other “graph” to display your information	15	_____
<b>TOTAL POSSIBLE POINTS</b>	<b>155</b>	_____

Information for the student:

- You may NOT use a pie chart/bar graph you get on-line. You create your own.
- When you are done, go to “Share”, “Export”, “PDF”.
- You could add a video or hyperlink?
- You could put your research information in a pie chart/bar graph.
