

ACE II

Things You Should Start to Work on for Your Travel Unit

- Check to see if you need a Visa to enter your country. Cost? (enter on your expense sheet)
- Are there any vaccinations you need before you get into another country? (enter on your expense sheet)
- Are you taking a pet on the plane? Cost? (enter on your expense sheet)
- Do you need to exchange your currency in another country? What is the fee? (enter on your expense sheet)
- Let's find your flight. You know the city you will be flying in to. Everyone will be flying out of DIA. Use some of these websites.
 - Orbitz
 - Trip Advisor
- Let's find your accommodations. Check out these accommodations in your cities you are flying in to and in the cities/towns you are staying in:
 - hotels
 - motels
 - bed and breakfasts
 - hostels--an establishment that provides inexpensive food and lodging for a specific group of people, such as students, workers, or travelers.
 - friends' homes (you may only stay 2 nights here)
- Identify elements of slide #3:
 - provide a link to obtaining passports
 - provide a link to obtaining traveler's checks
 - provide a link to obtaining airline tickets
 - provide a link to obtaining an airline ticket (website you looked at from up above)

- Begin your six sites you want to visit on your vacation. You can try Google: “Places to visit in Paris, France”.
