WRITING PROMPT GUIDELINES

Remember the basic rules for grammar, punctuation, and writing before you write:

• Capitalize the first word at the beginning of each sentence.
• Don't start a sentence with the word "And".
• Use punctuation at the end of a sentence (. ! ?)
• Write in complete sentences.
• Don't keep repeating yourself in your paragraph.
• Your paragraph should have 6-8 sentences.
• Correct your misspelled words.
• Be aware of "your" and "you're (you are)"
• Be aware of "their", "there", and "they're (they are)"
• BE AWARE OF THE CONTENT OF EACH SENTENCE--WHAT IT IS YOU ARE
  WRITING. DOES IT MAKE SENSE? IS IT A RUN-ON SENTENCE? IS IT AN
  INCOMPLETE SENTENCE?
